Scholarship Application: Optics Photonics and Imaging Continuing Education Courses

Name _____

Are you a U.S. Citizen? ◯ **Yes** ◯ **No**

Are you currently employed? ◯ **Yes** ◯ **No**

Are you 18 years or older? ◯ **Yes** ◯ **No**

Are you a veteran of the U.S. armed forces? ◯ **Yes** ◯ **No**

Highest degree earned (ex: high school, B.S.) _____ **School**_____

Number of years of math coursework (please describe) _____

Desired Course (Please check one course)

- ◯ Fundamentals of Optics I (with labs)
- ◯ Fundamentals of Optics II (with labs)
- ◯ Gradient-Index Optics
- ◯ Opto-Mechanical Analysis & Lab
- ◯ Optical Thin Film Coating Technology
- ◯ Modern Optical Engineering (with labs)
- ◯ Optics System Design Part I (with labs)
- ◯ Optics System Design Part II (with labs)
  (Optics System Design I required as prerequisite to Part II)
- ◯ Foundations of Imaging Science
- ◯ Electronics Manufacturing / Electronics Packaging Fundamentals

Number of years industry work experience (please describe)

Number of years industry work experience in optics (please describe)

Please describe your reason for taking this course and how you plan to use the information you learn in your future.

Please email completed application to Devin Sandon: devin.sandon@rochester.edu

With questions, please call Devin Sandon (585) 275-8092

☐ Terms for Grant Acceptance:

This workforce solution is funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The purpose of the grant program is to assist unemployed and underemployed individuals find jobs in the optics field or assist currently employed individuals' advancement in their careers.

By applying for this grant, you will agree to be contacted by the University of Rochester for one year following the date you complete this course regarding your employment status. The course content was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor.
