Margaret Urzetta is the Senior Administrator of the Center for Emerging & Innovative Sciences (CEIS), where she oversees the Center's day-to-day operations and serves as its primary liaison with NYSTAR.

In this role, she manages the tracking and reporting of CEIS's economic impact and plays a lead role in the Center's communications and outreach activities. She also coordinates CEIS special events, including the annual Finger Lakes Science & Technology Showcase, which brings together local industry, university researchers, and the regional innovation community for technology exchange and networking.

Urzetta joined CEIS in 2015 and also provides administrative support to the University of Rochester's NYSTAR Center of Excellence in Data Science and Artificial Intelligence.
